ABOUT THE JOURNAL

“*Aka*” is a Hanunuo Mangyan term for “first born.” The Occidental Mindoro State College (OMSC) believes this publication is first of its kind in the MIMAROPA Region. It is an academic, multidisciplinary and faculty and expert-reviewed journal devoted to the rapid dissemination of current research. It is published annually to document the research endeavors of the students presented in the Annual Student Research Congress.

OCCIDENTAL MINDORO STATE COLLEGE

Research and Development

Vision

Globally competitive and sustained socio-economic growth through relevant and responsible R&D.

Mission

Committed to generate and develop technologies that contribute to achieving inclusive growth, food security, and environmental sustainability.

Quality Objectives

1. Generate relevant and innovative research to achieve sustainable development.
2. Communicate research findings to the target beneficiaries.
3. Publish quality research outputs protected by IP laws.
